Dear Directors

1. Proposed offer for Bacanora Lithium plc

I understand that Ganfeng International Trading (Shanghai) Limited (the **Offeror**) proposes to make an offer for all the issued and to be issued ordinary shares of £0.10 each in Bacanora Lithium plc (the **Offeree**) (the **Shares**) other than those Shares already owned by the Offeror for the consideration, and otherwise substantially on the terms and subject to the conditions, set out in the draft press announcement attached to this letter (the **Announcement**), subject to such amendments or additions to such terms and conditions as may be required by the City Code on Takeovers and Mergers (the **Code**), the Panel on Takeovers and Mergers (the **Panel**) or any applicable law or regulation. The full terms of the Offer will be set out in a formal offer document (the **Offer Document**) addressed to the shareholders of the Offeree.

In this letter, the **Offer** means the proposed offer by the Offeror to acquire Shares as described above and includes any new, revised, improved or increased offer by the Offeror (or by one of its subsidiaries). Certain other terms used in this letter are defined in paragraph 10.7.

In consideration (subject to paragraph 8.2) of the Offeror agreeing to make the Offer, I undertake, confirm, represent, warrant and agree to and with the Offeror on the terms set out in this letter, which is entered into as a deed.

1. Representations and warranties

1.1 I represent and warrant to you that:

1.1.1 I am the beneficial owner of, or otherwise able to procure the transfer of and the exercise of all other rights attaching to, the number of Shares specified in the Schedule to this letter (the **Committed Shares**);

1.1.2 the Schedule sets out true, complete and accurate details of:

(a) the registration, ownership and control of the Committed Shares; and

(b) all Options (as defined in paragraph 10.7), warrants and other rights I may have to subscribe for, purchase or otherwise acquire any securities of the Offeree;

1.1.3 there are no Shares in which I am interested or taken to be interested, except for the Committed Shares;

- 1.1.4 the Committed Shares are held free of all liens, charges, options, equities, encumbrances, rights of pre-emption and any other third party rights and interests of any nature;
- 1.1.5 I am not acting in concert (as defined in the Code) with any other person other than being presumed to be acting in concert with the Offeree and the other directors of the Offeree (but disregarding for this purpose any person I may be deemed to be acting in concert with because they are giving an irrevocable undertaking to the Offeror); and
- 1.1.6 I have full power and authority to enter into this letter, to accept or procure the acceptance of the Offer in respect of the Committed Shares and to perform my other obligations in this letter.
- 1.2 The warranties and representations in paragraph 1.1 shall not be affected or extinguished by the transfer of the Committed Shares under the Offer.
- 2. **Acceptance of the Offer**
- 2.1 I irrevocably undertake to the Offeror that:
 - 2.1.1 I shall, no later than ten business days after the publication of the Offer Document, accept or procure the acceptance of the Offer in respect of all the Committed Shares, and shall cause the registered holder of any Committed Shares to accept the Offer, in accordance with the procedure set out in the Offer Document, and shall do or procure to be done all such things as may be required to give effect to such acceptance, whether by delivery of share certificates for the Committed Shares or otherwise;
 - 2.1.2 I shall not in any circumstances withdraw any acceptance of the Offer in respect of the Committed Shares and shall not cause or permit the registered holder of any Committed Shares to do so;
 - 2.1.3 I shall accept any proposal made by the Offeror to the holders of Options at the same price per Share as set out in the Offer, and in compliance with the requirements of the Code in respect of all such Options held by me, to the extent that the same have not lapsed or been exercised, no later than five business days after receipt of such proposal, or otherwise allow such Options to lapse;
 - 2.1.4 the Committed Shares will be acquired by the Offeror free from all liens, charges, options, equities and other encumbrances and third party rights of any nature and together with all rights (including the right to all dividends and distributions) now or at any time attaching or accruing to them; and
 - 2.1.5 I shall from time to time promptly complete, execute and deliver such documents and do all such other things as may be necessary to give full effect to each of my undertakings, agreements, warranties, representations, appointments and consents as set out in this letter.
- 2.2 In this letter, the term **Committed Shares** includes any further shares of the Offeree which (notwithstanding paragraph 4) I may become the registered holder or beneficial owner of, or in respect of which I may otherwise become entitled to exercise all rights and interests, after the date of this letter, whether or not deriving from or attributable to the Committed Shares specified in the Schedule. The undertaking in paragraph 2.1.1 shall take effect in relation to any such further Shares as an undertaking to accept or procure acceptance of the Offer in respect of those Shares on or before the later of (a) two business days after I

become their registered holder or beneficial owner or otherwise become entitled to exercise all rights/interests in respect of them and (b) five business days after the publication of the Offer Document.

3. Voting

3.1 Unless and until this letter lapses in accordance with paragraph 8.1, I shall exercise or procure the exercise of the voting rights attached to the Committed Shares in respect of any Offer Resolution (as defined in paragraph 3.4 below) in accordance with the Offeror's written instructions.

3.2 I shall exercise or procure the exercise of the rights attached to the Committed Shares to requisition or join in the requisition of any general meeting of the Offeree as the Offeror may request for the purpose of considering an Offer Resolution.

3.3 For the purposes of voting on an Offer Resolution, I shall execute (and shall procure that the registered holder of any Committed Shares shall execute) any form of proxy required by the Offeror in relation to the Committed Shares appointing any person nominated by the Offeror to attend and vote at the relevant general meeting of the Offeree.

3.4 An **Offer Resolution** is any resolution (whether or not amended) proposed at a general meeting of the Offeree (or at an adjourned meeting) or otherwise put to shareholders of the Offeree the passing of which is necessary to implement the Offer (including the Resolutions (as defined in the Announcement) and any resolution as to the adoption of new articles of Association of the Offeree) or which, if passed, might result in any condition of the Offer not being fulfilled or which might impede or frustrate the Offer in any way, and includes any resolution to adjourn a meeting at which such a resolution is to be considered and any resolution to amend a resolution falling within this paragraph 3.4.

4. Dealings

4.1 Unless and until the Offer closes, lapses or is withdrawn, I shall not, and shall procure that the registered holder of any of the Committed Shares which are not registered in my name shall not:

4.1.1 sell the Committed Shares, or transfer, charge, pledge or otherwise encumber or grant any option or other right over, or otherwise dispose of or deal with or permit any such action to occur in respect of all or any of the Committed Shares or any interest in any of them except by my acceptance of the Offer or to the Offeror;

4.1.2 accept (or vote any Committed Shares in favour of), or give any undertaking or other commitment to accept (or to vote any Committed Shares in favour of), any offer, scheme of arrangement, merger or business combination made or proposed to be made in respect of all or any of the Committed Shares by any person other than the Offeror;

4.1.3 except with the prior written consent of the Offeror and only if the Panel determines and confirms to the Offeror that, in respect of such acquisition or dealing, I am not acting in concert with the Offeror pursuant to Note 9 on the definition of "acting in concert" in the Code, but save for any Shares acquired in connection with the vesting of awards or the exercise of Options, purchase or otherwise acquire any further interest in Shares or other securities of the Offeree, or any options or other derivative securities referenced to such Shares or securities; or

4.1.4 enter into any agreement or arrangement, incur any obligation or give any indication of intent, or permit any agreement or arrangement to be entered into, any obligation to arise or any indication of intent to be given (in any case whether conditionally or unconditionally and whether or not legally binding) to do any of the acts referred to in this paragraph 4 or which would or might restrict or impede the Offer becoming unconditional or my ability to comply with this undertaking.

4.2 Notwithstanding paragraph 4.1, prior to my acceptance of the Offer, I shall be permitted to transfer (in one or more transactions) some or all of my Committed Shares (**Family Shares**) to one or more persons connected to me within the meaning of sections 252 to 255 of the Act (including my spouse, children and certain family trusts and family companies) provided that on the date of transfer I procure that the transferee(s) sign and deliver to you irrevocable commitments in respect of such Family Shares substantially in the form of this letter (unless any such transferee has already signed and delivered to you an irrevocable commitment on terms which extend to his or her Family Shares).

5. Consents

5.1 I consent to:

5.1.1 a copy of this letter being disclosed to the Panel;

5.1.2 the inclusion of references to me and the registered holder of any Committed Shares and particulars of this letter and my holdings of relevant securities being included in the Announcement, the Offer Document and any other announcement made, or document issued, by or on behalf of the Offeror in connection with the Offer; and

I will notify you in writing of any change in the accuracy or import of any such information previously provided by me immediately upon my becoming aware of any such change.

5.3 I further acknowledge that I am obliged to make appropriate disclosures under Rule 2.10(c) of the Code promptly after becoming aware that I will not be able to comply with the terms of this deed or no longer intend to do so.

6. Secrecy

I understand that until such time as the Offer is announced, the information I have received from you in connection with the Offer must be kept confidential. I undertake not to disclose to any third party (save for the Offeree and, to the extent reasonably necessary in connection with the Offer, its directors, officers, employees and advisers):

6.1.1 the existence or subject matter of this letter or the possibility of the Offer and/or its proposed terms; or

- 6.1.2 details of our discussions relating to the Offer (whether before or after the release of the Announcement),

except in each case to the extent that such matters have been made public through the issue of the Announcement or any other document published in connection with the Offer. The obligations in this paragraph 6 shall survive termination of this letter.

7. Power of attorney

In order to secure the performance of my obligations under paragraphs 2 and 3, I irrevocably appoint any director for the time being of the Offeror to be my attorney to execute in my name and on my behalf such deeds and documents, and to take such other action, as may be necessary for or incidental to the acceptance of the Offer and/or the performance of my other obligations under paragraphs 2 and 3 (including to execute any form of acceptance of the Offer or any form of proxy required by the Offeror appointing any person nominated by it to attend and vote on an Offer Resolution), provided that this appointment shall not take effect unless I fail to comply with any such obligation within the relevant time specified for compliance. I undertake to ratify any act properly performed by my attorney in accordance with the terms of this paragraph 7. This power of attorney is given by way of security and is irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 until such time as this letter lapses under paragraph 8.1.

8. Lapse of obligations

- 8.1 This letter will lapse and my obligations under this letter will cease to have effect if:

8.1.1 a press announcement substantially on the terms and conditions set out in the Announcement is not released by 5.00 p.m. on 25 August 2021 (or such later date as the Offeror and the Offeree may agree);

8.1.2 the Offer Document is not published within 28 days of the date of release of the Announcement (or within such longer period as the Offeror, with the consent of the Panel, may determine); or

8.1.3 any competing offer for the issued and to be issued Shares is made which is declared unconditional (if implemented by way of a takeover offer) or otherwise becomes effective (if implemented by way of a scheme of arrangement); or

8.2 If this letter lapses, no party shall have any claim against any other save in respect of any prior breach and (subject to the requirements of the Code, the Panel and any applicable law or regulation) nothing in this letter shall oblige the Offeror to announce the Offer or, if announced, to make the Offer.

9. Scheme of arrangement

I note that the Offeror reserves the right to implement the acquisition of the Offeree by way of scheme of arrangement (a Scheme) under Part 26 of the Act. If the acquisition is so implemented, I confirm and agree that I will enter into an irrevocable undertaking in analogous terms to those contained in this letter in respect of the Scheme.

10. General

RECOMMENDED CASH OFFER

FOR

BACANORA LITHIUM PLC

BY

GANFENG INTERNATIONAL TRADING (SHANGHAI) LIMITED

Summary and highlights

- On 6 May 2021, Bacanora Lithium PLC ("**Bacanora**") and Ganfeng International Trading (Shanghai) Limited ("**Ganfeng**") announced that they had entered into an agreement (the "**Offer Agreement**") regarding the terms of a possible offer by Ganfeng for the entire issued and to be issued share capital of Bacanora (other than the shares which Ganfeng already owns) at a price of 67.5 pence per Bacanora Share (the "**Possible Offer**") ("**Possible Offer Announcement**"). The terms of the Offer Agreement specified that the announcement by Ganfeng of a firm intention to make an offer for Bacanora was subject to the satisfaction of certain pre-conditions. Bacanora and Ganfeng today confirm that the final outstanding pre-condition has been satisfied.
- The Bacanora Independent Directors and the Ganfeng Board are therefore pleased to announce that they have reached agreement on the terms of a recommended cash offer to be made by Ganfeng for

the entire issued and to be issued ordinary share capital of Bacanora not already owned by Ganfeng (the "Offer"). The Offer is to be effected by means of a takeover offer within the meaning of Part 28 of the Companies Act 2006. Ganfeng reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a scheme of arrangement under Part 26 of the Companies Act.

- The Bacanora Independent Directors also intend to make a distribution *in specie*, comprising the Zinnwald Shares currently owned by Bacanora, to all Bacanora Shareholders (including Ganfeng) on the record date, being the date the Offer becomes or is declared unconditional. The Zinnwald Distribution will be conditional on (1) the approval by the Bacanora Shareholders, Red Kite (under the terms of Bacanora's US\$150m senior debt facility) and the Court of the Reduction to create distributable reserves sufficient to make the distribution, (2) the approval by the Bacanora Shareholders and Red Kite of the distribution *in specie*, (3) the Offer becoming or being declared unconditional, and (4) the expiry of the regulatory lock-in restrictions relating to the Zinnwald Shares that are currently applicable to Bacanora.
- Bacanora Shareholders will therefore be entitled to receive:

for each Bacanora Share: 67.5 pence in cash from Ganfeng pursuant to the Offer (the "Cash Consideration")

and

0.23589 Zinnwald Shares to be distributed by Bacanora (the "Zinnwald Distribution")

- Based on the Closing Price per Zinnwald Share of 25.75 pence on the Last Practicable Date, the Zinnwald Distribution is equivalent in value to 6.1 pence for each Bacanora Share, resulting in Bacanora Shareholders being entitled to receive, when combined with the Cash Consideration, a total value for each Bacanora Share of 73.6 pence (the "**Acquisition Value**"). The Zinnwald Distribution represents an additional 9.0 per cent. of value to Bacanora shareholders over the Cash Consideration as at the Last Practicable Date.
- The Acquisition Value values the entire issued and to be issued ordinary share capital of Bacanora at approximately £284.8 million, representing a premium of approximately 63 per cent. to the Closing Price of 45.0 pence per Bacanora Share on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period).
- The Cash Consideration represents a premium of approximately:
 - 50.0 per cent. to the Closing Price of 45.0 pence per Bacanora Share on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period); and
 - 54.4 per cent. to the volume-weighted average price of 43.7 pence per Bacanora Share for the three months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period).

- 59.4 per cent. to the volume-weighted average price of 42.3 pence per Bacanora Share for the twelve months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period).
- Under the terms of the Zinnwald Distribution, Bacanora Shareholders (including Ganfeng) will be entitled to receive 0.23589 Zinnwald Shares in exchange for each Bacanora Share they hold on the date the Offer becomes or is declared unconditional. The Zinnwald Distribution will be paid as soon as practicable after the later of the Effective Date and the expiry of the regulatory lock-in restrictions relating to the Zinnwald Shares (being 29 October 2021), and will be paid by Bacanora to Bacanora Shareholders (including Ganfeng) on the register of members of Bacanora on the Record Date. Other than the Zinnwald Distribution, no other dividend or distribution is currently contemplated by Bacanora to be declared, approved, made or paid from the date of this announcement and before the Effective Date. Ganfeng has irrevocably undertaken to vote in favour of the Bacanora Shareholder resolutions to approve the Reduction and the Zinnwald Distribution. Ganfeng has also irrevocably undertaken not to permit the Offer to become or be declared unconditional until the earlier of (i) 30 October 2021 (ii) Day 60 and (iii) the date the Bacanora Board approve the Zinnwald Distribution, and that, should the Offer become unconditional prior to completion of the Reduction and the subsequent approval by the Bacanora Directors of the Zinnwald Distribution, it will use all reasonable endeavours (or reasonable endeavours in relation to obtaining any required Red Kite consent) to procure that the Reduction is completed prior to 30 November 2021 and that the Zinnwald Distribution is made by Bacanora prior to 31 December 2021, and has agreed that subject to meeting those dates Bacanora Shareholders on the Record Date will retain the right to the Zinnwald Distribution despite the transfer of their Bacanora Shares to Ganfeng.
- The Offer will be conditional upon, amongst other matters, Ganfeng receiving valid acceptances in respect of, and/or having otherwise acquired, Bacanora Shares which constitute more than 50 per cent. of the voting rights relating to the Bacanora Shares (including those already held by Ganfeng);
- The Offer also remains conditional on satisfaction of the Mexican Antitrust Clearance condition (as defined below). Ganfeng has informed Bacanora that it has submitted the requisite documentation in Mexico.
- As Xiaoshen Wang represents the interests of Ganfeng on the Bacanora Board, the Bacanora Board has constituted a committee comprising the Bacanora Independent Directors (being all the directors of Bacanora other than Xiaoshen Wang) for the purposes of evaluating and recommending the Offer.
- The Bacanora Independent Directors, who have been so advised by Peel Hunt as to the financial terms of the Offer, taking into account the Zinnwald Distribution, unanimously consider the terms of the Offer to be fair and reasonable. In providing its advice to the Bacanora Independent Directors, Peel Hunt has taken into account the commercial assessments of the Bacanora Independent Directors. Peel Hunt is providing independent financial advice for the purposes of Rule 3 of the Code to the Bacanora Independent Directors.

- Accordingly, the Bacanora Independent Directors intend to recommend unanimously that Bacanora Shareholders accept the Offer. The Bacanora Independent Directors also unanimously consider that the Reduction and the Zinnwald Distribution will promote the success of the Company for the benefit of its members as a whole and accordingly unanimously intend to recommend that Bacanora Shareholders vote in favour of the Resolutions to be proposed at the Bacanora General Meeting. Bacanora Shareholders will only be entitled to receive the Zinnwald Distribution if the Offer becomes or is declared unconditional.
- Ganfeng has received irrevocable undertakings to accept the Offer and vote in favour of the Resolutions from each of the Bacanora Independent Directors who are interested in Bacanora Shares in respect of a total of 3,540,542 Bacanora Shares, representing approximately 0.92 per cent. of Bacanora's current issued ordinary share capital. Under the terms of the irrevocable undertakings the Bacanora Independent Directors have also agreed to enter into irrevocable undertakings on analogous terms should Ganfeng implement the Offer by way of a scheme of arrangement. Further details of these irrevocable undertakings are set out in Appendix 3 to this Announcement.
- Ganfeng has received a letter of intent to accept or procure acceptance of the Offer (or, if the Offer is implemented by way of a scheme of arrangement to vote, or procure the vote, in favour of the scheme at the Court meeting and the resolutions at the general meeting) from the M&G Recovery Fund, controlling, in aggregate, approximately 13.7 per cent. of the issued ordinary share capital of Bacanora on the Last Practicable Date. Further details of this letter of intent are set out in Appendix 3 to this Announcement.
- Ganfeng Holdco is one of the largest lithium compounds producers in the world and the world's largest lithium metals producer in terms of production capacity. Ganfeng's Holdco's operations are vertically integrated, including investment in upstream lithium extraction such as the Sonora Lithium Project.
- Ganfeng first invested in Bacanora through an investment agreement in June 2019 and entered into an offtake agreement at the same time. Ganfeng currently owns 50 per cent. of the Sonora Lithium Project directly and is also invested in 110,933,697 Bacanora Shares, representing approximately 28.9 per cent. of the Bacanora Shares in issue as at the Last Practicable Date, and is Bacanora's largest shareholder. On 18 October 2019, Xiaoshen Wang was appointed to the Bacanora Board as a director, representing Ganfeng's shareholding.
- Commenting on the Offer, Xiaoshen Wang, Vice Chairman of Ganfeng, said:

“Ganfeng is delighted to have reached an agreement with the Bacanora Independent Directors on an attractive proposal for Bacanora Shareholders. We have been working with Bacanora on the Sonora Lithium Project for over two years and we look forward to progressing what we believe to be a significant lithium project through its construction phase to production, targeted in 2023.”
- Commenting on the Offer, Mark Hohnen, Chairman of Bacanora, said:

“We are pleased that Bacanora and Ganfeng have been able to work together efficiently to satisfy the pre-conditions and reach an agreement on the terms of a formal Offer. Bacanora has made significant progress advancing the Sonora Lithium Project in the last 11 years and as it looks forward to the construction phase, the Bacanora Board is cognisant of the risks that are inherent in single asset companies and elevated in mining development projects.

The Offer allows Bacanora Shareholders to realise their investment in Bacanora, in cash and at a significant premium to the undisturbed share price. In addition, we are pleased to have agreed that Bacanora Shareholders will maintain an exposure to the lithium industry by retaining an interest in a highly prospective quoted lithium project, through the Zinnwald Distribution.”

This summary should be read in conjunction with, and is subject to, the full text of the following Announcement. Appendix 1 sets out the Conditions to which the Offer will be subject and refers to its further terms (which will be set out in full in the Offer Document). Appendix 2 details the sources of financial information and bases of calculation used in the Announcement. Appendix 3 sets out details of irrevocable undertakings provided by the Bacanora Independent Directors and the letter of intent provided by M&G Recovery Fund. Appendix 4 sets out the definitions of certain terms used in the Announcement.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company

A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

RECOMMENDED CASH OFFER

FOR

BACANORA LITHIUM PLC

BY

GANFENG INTERNATIONAL TRADING (SHANGHAI) LIMITED

Introduction

On 6 May 2021, Bacanora Lithium PLC ("**Bacanora**") and Ganfeng International Trading (Shanghai) Limited ("**Ganfeng**") announced that they had entered into an agreement (the "**Offer Agreement**") regarding the terms of a possible offer by Ganfeng for the entire issued and to be issued share capital of Bacanora (other than the shares which Ganfeng already owns) at a price of 67.5 pence per Bacanora Share (the "**Possible Offer**") ("**Possible Offer Announcement**"). The terms of the Offer Agreement specified that the announcement by Ganfeng of a firm intention to make an offer for Bacanora was subject to the satisfaction of certain pre-conditions. Bacanora and Ganfeng today confirm that the final outstanding pre-condition has been satisfied.

The Ganfeng Board and the Bacanora Independent Directors are therefore now pleased to announce that they have reached agreement on the terms of a recommended cash offer (the "**Offer**") to be made by

Ganfeng for the whole of the ordinary share capital of Bacanora not already owned by Ganfeng. The Offer is to be effected by means of a takeover offer within the meaning of Part 28 of the Companies Act 2006. Ganfeng reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a scheme of arrangement under Part 26 of the Companies Act.

The Bacanora Independent Directors also intend to make a distribution *in specie*, comprising the Zinnwald Shares currently owned by Bacanora, to all Bacanora Shareholders (including Ganfeng) on the record date, being the date the Offer becomes or is declared unconditional. The Zinnwald Distribution will be conditional on (1) the approval by the Bacanora Shareholders, Red Kite (under the terms of Bacanora's US\$150m senior debt facility) and the Court of the Reduction to create distributable reserves sufficient to make the distribution, (2) the approval by the Bacanora Shareholders and Red Kite of the distribution *in specie*, (3) the Offer becoming or being declared unconditional, and (4) the expiry of the regulatory lock-in restrictions relating to the Zinnwald Shares that are currently applicable to Bacanora.

As Xiaoshen Wang represents the interests of Ganfeng on the Bacanora Board, the Bacanora Board has constituted a committee comprising the Bacanora Independent Directors for the purposes of evaluating and recommending the Offer.

The Bacanora Independent Directors, who have been so advised by Peel Hunt as to the financial terms of the Offer, taking into account the Zinnwald Distribution, unanimously consider the terms of the Offer to be fair and reasonable. In providing its advice to the Bacanora Independent Directors, Peel Hunt has taken into account the commercial assessments of the Bacanora Independent Directors. Peel Hunt is providing independent financial advice for the purposes of Rule 3 of the Code to the Bacanora Independent Directors.

Accordingly, the Bacanora Independent Directors intend to recommend unanimously that Bacanora Shareholders accept the Offer and vote in favour of the Resolutions to be proposed at the Bacanora General Meeting.

Ganfeng has received irrevocable undertakings to accept the Offer and vote in favour of the Resolutions from each of the Bacanora Independent Directors who are interested in Bacanora Shares in respect of a total of 3,540,542 Bacanora Shares, together representing approximately 0.92 per cent. of Bacanora's issued ordinary share capital. Further details of these irrevocable undertakings are set out in Appendix 3 to this Announcement.

Summary of the terms of the Offer

Bacanora Shareholders will be entitled to receive:

for each Bacanora Share: 67.5 pence in cash from Ganfeng pursuant to the Offer (the "Cash Consideration")

and

0.23589 Zinnwald Shares to be distributed by Bacanora (the "Zinnwald Distribution")

Based on the Closing Price per Zinnwald Share of 25.75 pence on the Last Practicable Date, the Zinnwald Distribution is equivalent in value to 6.1 pence for each Bacanora Share, resulting in Bacanora Shareholders being entitled to receive, when combined with the Cash Consideration, a total value for each Bacanora Share of 73.6 pence (the “**Acquisition Value**”). The Zinnwald Distribution represents an additional 9.0 per cent. of value to Bacanora shareholders over the Cash Consideration as at the Last Practicable Date.

The Acquisition Value values the entire issued and to be issued ordinary share capital of Bacanora at approximated £284.8 million, representing a premium of approximately 63 per cent. to the Closing Price of 45.0 pence per Bacanora Share on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period).

The Cash Consideration represents a premium of approximately:

- 50.0 per cent. to the Closing Price of 45.0 pence per Bacanora Share on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period);
- 54.4 per cent. to the volume-weighted average price of 43.7 pence per Bacanora Share for the three months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period); and
- 59.4 per cent. to the volume-weighted average price of 42.3 pence per Bacanora Share for the twelve months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period).

The Bacanora Shares shall be acquired under the Offer fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and any other rights and interests of any nature whatsoever and together with all rights now and hereafter attaching thereto, including voting rights and the right to receive and retain in full all dividends and other distributions (if any, other than the Zinnwald Distribution) declared, made or paid on or after the date of this Announcement.

If, after the date of this Announcement and before the Effective Date, any dividend and/or other distribution and/or other return of capital is announced, declared, made or paid or becomes payable in respect of the Bacanora Shares, other than the Zinnwald Distribution, Ganfeng reserves the right to reduce the offer price by an amount up to the amount of such dividend and/or distribution and/or return of capital so announced, declared, made, paid or payable. If Ganfeng exercises this right or makes such a reduction in respect of a dividend and/or other distribution and/or return of capital, Bacanora Shareholders will be entitled to receive and retain that dividend and/or distribution and/or return of capital. Any exercise by Ganfeng of its right referred to in this paragraph shall be subject of an announcement and, for the avoidance of doubt, shall not constitute a revision or variation to the terms of the Offer.

The Offer will be conditional upon, amongst other matters, Ganfeng receiving valid acceptances in respect of, and/or having otherwise acquired, Bacanora Shares which constitute more than 50 per cent. of the voting rights relating to the Bacanora Shares (including those already held by Ganfeng) and satisfaction of the Mexican Antitrust Clearance condition (as defined below).

The Offer will be subject to the Conditions and further terms set out or referred to in Appendix 1 to this Announcement, and to the further terms to be set out in the Offer Document and the accompanying Form of Acceptance, which will be sent to Bacanora Shareholders as soon as possible and in any event no later than 28 days after the date of this Announcement (or such later date as may be agreed with the Panel).

Bacanora Incentive Schemes

Ganfeng will make appropriate proposals to the holders of options granted under the relevant Incentive Scheme in accordance with Rule 15 of the Code. Full details of the effect of the Offer on participants' rights under the Incentive Schemes, and the actions they may take will be communicated to participants in separate letters to be sent to them when the Offer Document is published.

Recommendation

The Independent Bacanora Directors, who have been so advised by Peel Hunt as to the financial terms of the Offer, taking into account the Zinnwald Distribution, unanimously consider the terms of the Offer to be fair and reasonable. In providing its advice to the Bacanora Independent Directors, Peel Hunt has taken into account the commercial assessments of the Bacanora Independent Directors. Peel Hunt is providing independent financial advice for the purposes of Rule 3 of the Code to the Bacanora Independent Directors.

Accordingly, the Bacanora Independent Directors intend unanimously to recommend that Bacanora Shareholders accept the Offer, and the Bacanora Independent Directors also unanimously consider that the Reduction and Zinnwald Distribution will promote the success of Bacanora for the benefit of its members as a whole and accordingly unanimously recommend that Bacanora Shareholders vote in favour of the Resolutions at the Bacanora General Meeting, as they have irrevocably undertaken to do in respect of their own respective beneficial shareholdings of Bacanora Shares (representing in aggregate approximately 0.92 per cent. of the Bacanora Shares at present in issue).

Bacanora Shareholders will only be entitled to receive the Zinnwald Distribution if the Offer becomes or is declared unconditional.

Irrevocable undertakings and letters of intent

As noted above, the Bacanora Independent Directors have irrevocably undertaken to accept the Offer (or where applicable procure the acceptance of the Offer) and to vote (or, where applicable, procure voting) in favour of the Resolutions to be proposed at the Bacanora General Meeting in respect of their own beneficial holdings of, in aggregate, 3,540,542 Bacanora Shares, representing approximately 0.92 per cent. of the existing issued ordinary share capital of Bacanora as at the Last Practicable Date.

Ganfeng has received a letter of intent to accept or procure acceptance of the Offer (or, if the Offer is implemented by way of a scheme of arrangement to vote, or procure the vote, in favour of the scheme at the Court meeting and the resolutions at the general meeting) from the M&G Recovery Fund, controlling, in aggregate, approximately 13.7 per cent. of the issued ordinary share capital of Bacanora on the Last Practicable Date.

Further details of these irrevocable undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

Background to, and Reasons for, the Offer

Ganfeng believes that the Sonora Lithium Project represents an opportunity to further embed Ganfeng into the upstream lithium value chain, advancing its growth strategy to become the world's largest lithium producer. Nevertheless, the lithium-bearing sedimentary (also known as lithium clay) deposits of Sonora are an unconventional lithium resource type with no commercialised precedents. As such, and also through its technical work at the Sonora site, Ganfeng believes there remains a great degree of uncertainty in the future development of the project. Uncertainties remain around, for example, the type of kiln to be used and the presence of high concentrate calcium. Ganfeng's latest estimates, based on lab tests of different designs and materials, indicate that the cost of extracting lithium from clay-based lithium hydroxide is likely to be higher than Ganfeng's previous estimates. Therefore, Ganfeng believes that taking full ownership of Sonora, and the re-registration of Bacanora as a private company, will provide the certainty and flexibility necessary for Ganfeng to commit to the additional financing and development required to realise production. Ganfeng's ownership is also expected to simplify the overseas direct investment approval requirements for Ganfeng to commit further funding, potentially shortening the time required to realise full production. Ganfeng believes the offer price has fully considered the long term lithium price, the development potential and the risks of the Sonora Lithium Project and offers best value, fully in cash, for all stakeholders now.

Background to, and Reasons for, the Reduction and the Zinnwald Distribution

In order to provide additional value to Bacanora Shareholders, Ganfeng has agreed that Bacanora can propose the Zinnwald Distribution to Bacanora Shareholders, the making of which is conditional on the Offer becoming or being declared unconditional and on the expiry (on 29 October 2021) of the regulatory lock-in restrictions relating to the Zinnwald Shares that are currently applicable to Bacanora. Currently Bacanora has no positive distributable reserves and therefore intends to cancel the whole of its share premium account so as to eliminate (subject to the protection of creditors) the existing deficit on the Bacanora's profit and loss account and to create positive distributable reserves. The Bacanora Board considers that there will then be sufficient distributable reserves to allow Bacanora to make the Zinnwald Distribution to its Shareholders.

Bacanora can cancel its share premium account and apply the reserve arising on the cancellation to its profit and loss account (and thereby write off an accumulated deficit on such profit and loss account) provided that it obtains the approval of Red Kite (under the terms of Bacanora's US\$150m senior debt facility), the Bacanora Shareholders by special resolution in general meeting and the subsequent confirmation of the Court. Bacanora Shareholders and Red Kite will also need to approve the making of the Zinnwald Distribution. Ganfeng has irrevocably undertaken to vote in favour of the Resolutions to effect the Reduction and the Zinnwald Distribution. Ganfeng has also irrevocably undertaken not to permit the Offer to become or be declared unconditional until the earlier of (i) 30 October 2021 (ii) Day 60 and (ii) the date the Bacanora Board approve the Distribution, and that, should the Offer become unconditional prior to completion of the Reduction and the subsequent approval by the Bacanora Directors of the Zinnwald Distribution, it will use all reasonable endeavours (or reasonable endeavours in relation to obtaining any

required Red Kite consent) to procure that the Reduction is completed prior to 30 November 2021 and that the Zinnwald Distribution is made by Bacanora prior to 31 December 2021, and has agreed that subject to meeting those dates Bacanora Shareholders on the Record Date will retain the right to the Zinnwald Distribution despite the transfer of their Bacanora Shares to Ganfeng.

Background to, and Reasons for, the Recommendation

Bacanora has sought to create shareholder value by identifying and investing in undeveloped lithium assets. Over the past six years, Bacanora has developed the Sonora Lithium Project through feasibility and engineering to a preliminary development stage. Bacanora de-risked the sales of lithium products to be produced from the Sonora Lithium Project by entering into an offtake agreement with Hanwa Co., LTD in 2017, and then with Ganfeng in 2019. As a result, 100 per cent. of stage 1 production and 75 per cent. of stage 2 is under long term off-take agreements to deliver product to China and Japan. In 2019 and 2021, Bacanora further de-risked the Sonora Lithium Project by entering into a joint venture strategy with Ganfeng, one of the largest lithium producers in the world.

As Xiaoshen Wang represents the interests of Ganfeng on the Bacanora Board, for the purpose of considering the Offer, the Bacanora Board constituted a committee comprising the Bacanora Independent Directors to consider the Offer.

In considering the Offer, the Bacanora Independent Directors have taken account of both the long term potential value of Bacanora and the risks in achieving this value. The following factors have been considered:

- the Offer provides an immediate liquidity opportunity for all Bacanora Shareholders to realise their investment in Bacanora in full, in cash and at a significant premium to the undisturbed share price;
- Bacanora is materially exposed to the price of lithium, which has been volatile in recent years;
- there are risks associated with Bacanora's development of the Sonora Lithium Project, which remains several years away from commercial production;
- the Cash Consideration represents a premium of approximately:
 - 50.0 per cent. to the Closing Price per Bacanora Share of 45.0 pence on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period);
 - 54.4 per cent. to the volume-weighted average price per Bacanora Share for the three months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period); and
 - 59.4 per cent. to the volume-weighted average price of 42.3 pence per Bacanora Share for the twelve months ended 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period);

- in addition, the Zinnwald Distribution allows Bacanora Shareholders to retain exposure to the lithium market through a shareholding in a London quoted lithium company;
- the Acquisition Value, including the implied value of the Zinnwald Distribution, equates to a premium of approximately 63 per cent. to the Closing Price of 45.0 pence per Bacanora Share on 5 May 2021 (being the last practicable date prior to the commencement of the Offer Period);
- the terms of the Offer compare favourably to the assessments of the Bacanora Independent Directors of: (i) relevant, comparable transactions in the sector; (ii) the risk-adjusted value of the Sonora Lithium Project discounted to the present day, noting that, whilst historic project valuations have presented the Sonora Lithium Project on a 100 per cent. stand-alone basis, current post tax economic valuations must take into account costs associated with debt funding, the fact that Bacanora owns only 50 per cent. of the operational holding company Sonora Lithium Ltd and, in addition, that 5 out of 7 of the Sonora Lithium Project leases are held in 70/30 joint venture with Cadence Minerals plc; and, (iii) the Company's global listed peer group;
- Ganfeng already owns 50 per cent. of Sonora Lithium Ltd, the operational holding company for the Sonora Lithium Project, and 28.9 per cent. of Bacanora, which provides Ganfeng with significant influence over the strategic direction and progress of the Company, even in the event that the Offer does not complete;
- there are significant technical, financial, commodity price and geopolitical risks inherent in the development of any large scale, greenfield, mining project, including:
 - there will continue to be price volatility in the lithium market over the next decade as lithium usage in the energy storage sector is still a relatively new application for this commodity. Product pricing has yet to be regulated as an exchange traded commodity and continues to be traded under medium and long term off-take agreements controlled by a relatively small number of the larger lithium producers;
 - over the past 3 years as a result of significant over-production of lower value lithium concentrates from the Australian market, contract prices for battery grade lithium products have traded from a high of US\$15,000/t to approximately US\$5,000/t and whilst contract pricing is returning to US\$10,000/t, the Bacanora Independent Directors believe price volatility will continue as the lithium industry continues to develop;
 - there is still significant mothballed lithium production capacity in Australia that can be re-introduced into the market as lithium prices approach US\$10,000/t;
 - the Sonora Lithium Project remains several years away from production which is currently scheduled for H2 2023. It is common for both major and junior miners to face significant challenges during this development stage of mining operations, including *inter alia* technical risks, financing risks and the risk of delays to first cash flows and associated debt repayment schedules;

- the nature of the Sonora Lithium Project deposits is a lithium clay resource type and has not yet been mined in Mexico. There is the potential for unforeseen technical and processing challenges which may negatively impact timing of development, capital cost requirements and further equity issuance, production rates and consequently the Company's financing arrangements;
- as noted in Bacanora's announcement of 22 June 2021, due to extension fee considerations and the limited availability period for an extension, the Company and Red Kite agreed that the majority of its undrawn debt facility (the "**RK Facility**"), amounting to US\$125 million, will no longer be available for drawdown. Although Bacanora has sufficient cash to support development of the Sonora Lithium Project for the next 15 months, beyond this period, Bacanora will require an additional debt facility or alternative financing to replace the undrawn portion of the RK Facility. Whilst the Bacanora Independent Directors are optimistic that debt funding can be provided on terms that are comparatively more favourable to the RK Facility, there can be no guarantee that debt will be available nor whether a facility will be provided on less onerous terms;
- commencement of early earth works have already been impacted by the Covid-19 pandemic. The ongoing impact of the Covid-19 pandemic may cause further delays to development through a reduction in size of the available workforce and/or supply chain disruption. Prolonged travel restrictions could lead to further delays to construction and impact the timing of first production and revenues; and
- Mexican President Lopez Obrador confirmed in March 2021 that his government was studying a proposal to nationalise lithium production in the country. Whilst the Company believes the risk of the nationalisation of existing projects, such as the Sonora Lithium Project, is remote, there remains an economic risk to Bacanora Shareholders; and
- there is no deferred or contingent consideration associated with the Offer, allowing Shareholders the opportunity to realise a full cash exit at a premium immediately upon the Offer becoming or being declared unconditional.

Whilst the Bacanora Independent Directors therefore believe in the future growth potential of Bacanora over the medium to long term, having considered the risks, particularly with regards to the operational challenges associated with delivering production, they consider that Ganfeng's proposal of 67.5 pence per Bacanora Share, together with the proposed Zinnwald Distribution, fully recognises Bacanora's growth potential, whilst providing certainty, in cash, to Bacanora Shareholders.

Accordingly, the Bacanora Independent Directors intend to recommend unanimously that Bacanora Shareholders accept the Offer and vote in favour of the Resolutions at the Bacanora General Meeting.

Information on Ganfeng and Ganfeng Holdco

Ganfeng is a company incorporated in Shanghai in the People's Republic of China and a wholly owned subsidiary of Ganfeng Holdco.

Ganfeng Holdco is one of the largest lithium compounds producers in the world and the world's largest lithium metals producer in terms of production capacity. Ganfeng Holdco's operations are vertically integrated, including investment in upstream lithium extraction such as the Sonora Lithium Project.

Information on Bacanora

Bacanora is a lithium development company focused on building, in collaboration with its major shareholder and offtake partner, Ganfeng, a 20,000 tonne per annum open pit lithium carbonate operation at its flagship asset, the Sonora Lithium Project in Mexico. The Sonora Lithium Project has 8.8 million tonnes of lithium carbonate (Li₂CO₃) equivalent resources, with an approximate 250-year resource life.

Sonora Lithium Ltd ("**SLL**") is the operational holding company for the Sonora Lithium Project and owns 100 per cent. of the La Ventana concession. The La Ventana concession accounts for 88 per cent. of the mined ore feed in the Sonora Feasibility Study which covers the initial 19 years of the project mine life. SLL is owned 50 per cent. by Bacanora and 50 per cent. by Ganfeng. SLL also owns 70 per cent. of the El Sauz and Fleur concessions.

Bacanora also owns 35.5 per cent. of Zinnwald, which in turn owns the Zinnwald Lithium Project and the Falkenhain, Altenberg and Sadisforf Licences in southern Saxony, Germany.

Bacanora's business, management, employees and pension schemes

Ganfeng recognises the quality of Bacanora's employees and management team and their importance to the success of Bacanora and the Sonora Lithium Project. Ganfeng intends to support the business to help develop and execute the Sonora Lithium Project in line with the current timetable of reaching production by H2 2023.

If Ganfeng receives the requisite levels of acceptances under the Offer, Ganfeng's intention is to seek to (1) exercise its rights in accordance with sections 974 to 991 of the Companies Act to acquire compulsorily the remaining Bacanora Shares on the same terms as the Offer (2) cancel the admission to trading on AIM of the Bacanora Shares, and (3) re-register Bacanora as a private limited company, as described in the paragraph headed "Compulsory acquisition, cancellation of trading and re-registration" below.

With regard to its plans for the continued employment of Bacanora management and employees, other than as set out below, there is no intention to change the nature, location and conditions of employment for Bacanora management and employees following the Offer becoming or being declared unconditional. This will allow for a smooth and seamless transition of ownership from Bacanora to Ganfeng upon the change of ownership with no impact on the expected timetable for completing development and achieving production at the Sonora Lithium Project as described above.

Following the Offer becoming or being declared unconditional, Ganfeng intends to use Ganfeng's existing central management functions to manage the Sonora Lithium Project through existing Ganfeng employees. In addition, once Bacanora ceases to be a quoted company, a number of quoted company-related functions will become unnecessary. This is expected to lead to a reduction in the headcount of Bacanora's corporate and central management segment. It is intended that Peter Secker will be retained for a limited period for transitional purposes. It is also intended that each of the Independent Directors of Bacanora will resign from the Bacanora Board, conditional upon and with effect from the Effective Date.

Other than as noted above, there is no intention to make any material change to the balance of skills and functions of Bacanora's employees and management.

There is no intention to make any changes to the current levels of pension contributions for existing members of, or admission of new members to, Bacanora's defined contribution pension plan. Bacanora does not operate any defined benefit pension schemes.

Ganfeng has no intention to redeploy any material fixed assets of Bacanora or change Bacanora's locations of business as a consequence of the Offer, although, as noted above, it is intended that central management of the Sonora Lithium Project will transition to Ganfeng, resulting in a relocation of Bacanora's headquarters in London to Ganfeng's headquarters in China. To Ganfeng's knowledge, Bacanora has no research and development function. Ganfeng also intends to simplify the corporate structure where entities are no longer required as a result of the above changes.

Financing of the Offer

Teneo, in its capacity as financial adviser to Ganfeng, is satisfied that sufficient resources are available to Ganfeng to satisfy, in full, the cash consideration payable to Bacanora Shareholders under the terms of the Offer.

The cash consideration payable for the Offer will be funded through Ganfeng's existing cash resources.

Offer-related arrangements

Confidentiality Agreement

Ganfeng entered into a confidentiality agreement with Bacanora on 29 April 2021 (the "**Confidentiality Agreement**") pursuant to which each of Ganfeng and Bacanora has undertaken to keep confidential information relating to the Offer and the other party and not to disclose it to third parties (with certain customary exceptions). These confidentiality obligations will cease to have effect upon the Offer becoming Effective or, until the date falling two years from the date of the Confidentiality Agreement.

The Confidentiality Agreement also includes customary standstill and non-solicitation obligations on Ganfeng.

Offer Agreement

Bacanora and Ganfeng entered into the Offer Agreement on 6 May 2021.

The Offer Agreement contains, *inter alia*, details of the pre-conditions which were required to be satisfied or, where capable, waived, before the release of this Announcement.

The pre-conditions have now been satisfied and, accordingly, the Offer Agreement has terminated upon release of this Announcement.

A summary of the terms of the Offer Agreement was provided in the Possible Offer Announcement.

Opening Position Disclosure

Ganfeng confirms that it has made an Opening Position Disclosure, which sets out the details required to be disclosed by it under Rule 8.1(a) of the Code.

Posting of the Offer Document and Reduction circular

The formal Offer Document containing full information relating to the Offer, including its terms and conditions, together with the Form of Acceptance, will be dispatched to Bacanora Shareholders as soon as reasonably practicable, and in any event within 28 days of the date of this Announcement (or such later date as may be agreed with the Panel).

A circular setting out full details of the Reduction and the Zinnwald Distribution and convening the Bacanora General Meeting will be posted to Bacanora Shareholders as soon as reasonably practicable.

Structure and Conditions to the Offer

It is intended that the Offer shall be effected by means of a takeover offer within the meaning of the Companies Act for the entire issued and to be issued ordinary share capital of Bacanora that Ganfeng does not already hold. However, Ganfeng reserves the right to elect, with the consent of the Panel (where necessary) to implement the Offer by way of a Court-sanctioned scheme of arrangement in accordance with Part 26 of the Companies Act.

The purpose of the Offer is to provide for Ganfeng to become the holder of the entire issued and to be issued ordinary share capital of Bacanora. This is to be achieved by the transfer to Ganfeng of the Bacanora Shares not already held by Ganfeng, in consideration for which the Bacanora Shareholders who accept the Offer shall receive Cash Consideration on the basis set out in this Announcement under the heading ‘The Offer’.

The Offer is subject to the Conditions and further terms set out in Appendix 1 to this Announcement and to be set out in the Offer Document and the accompanying Form of Acceptance, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- Ganfeng receiving valid acceptances in respect of such number of Bacanora Shares which, when aggregated with the Bacanora Shares held by Ganfeng at the date of the Offer and any Bacanora Shares acquired or agreed to be acquired by Ganfeng on or after such date, constitute more than 50 per cent. of the voting rights relating to the Bacanora Shares;
- as certain of Bacanora’s assets are held in and by Mexican corporate entities, the Offer is conditional upon obtaining unconditional approval from the Mexican Federal Economic Competition Commission (the “**FECC**”) (the “**Mexican Antitrust Clearance**”); and
- all of the other Conditions to the Offer, as set out in Appendix I to this Announcement, are satisfied or (where applicable) waived.

The Offer shall lapse if the Offer does not become Effective by the Long Stop Date.

Further details of the Offer and the Zinnwald Distribution will be set out in the Offer Document. The Offer Document and the accompanying Form of Acceptance will be made available to all Bacanora Shareholders

(except those in Restricted Jurisdictions) at no charge to them. Bacanora Shareholders are urged to read the Offer Document and the accompanying Form of Acceptance when they are sent to them because they will contain important information.

Compulsory acquisition, cancellation of trading, and re-registration

If Ganfeng receives acceptances under the Offer in respect of, and/or otherwise acquires, both 90 per cent. or more in value of the Bacanora Shares to which the Offer relates and 90 per cent. or more of the voting rights carried by those shares, and assuming that all of the other Conditions of the Offer have been satisfied or waived (if capable of being waived), Ganfeng intends to exercise its rights in accordance with sections 974 to 991 of the Companies Act to acquire compulsorily the remaining Bacanora Shares on the same terms as the Offer.

Following the Offer becoming or being declared unconditional, if Ganfeng receives acceptances under the Offer in respect of, and/or otherwise acquires 75 per cent. or more of the voting rights carried by the Bacanora Shares (including the Bacanora Shares it already owns), Ganfeng intends to procure that Bacanora will make applications to cancel the admission of the Bacanora Shares to trading on AIM and, subject always to the earlier of (a) completion of the Reduction and the approval and settlement of the Zinnwald Distribution or (b) 31 December 2021, to re-register Bacanora as a private company under the relevant provisions of the Companies Act.

If such application for cancellation of the admission of the Bacanora Shares to trading on AIM is made, it is expected that such cancellation will take place no earlier than 20 Business Days after the date on which Ganfeng has, by virtue of its shareholding and acceptances of the Offer, acquired, or agreed to acquire, 75 per cent. of the voting rights attaching to the Bacanora Shares. Ganfeng will procure that Bacanora makes a regulatory announcement when the necessary 75 per cent. threshold has been reached confirming that the notice period has commenced and the anticipated date of cancellation.

Delisting of the Bacanora Shares and the re-registration of Bacanora as a private limited company would significantly reduce the liquidity and marketability of any Bacanora Shares in respect of which the Offer has not been accepted at that time, and Bacanora's reporting and disclosure requirements will be significantly reduced. Any remaining Bacanora Shareholders would become minority shareholders in a majority controlled private limited company and may therefore be unable to sell their Bacanora Shares. There can be no certainty that Bacanora would pay any dividends or other distributions or that such minority Bacanora Shareholders would again be offered an opportunity to sell their Bacanora Shares on terms which are equivalent to, or no less advantageous than, those under the Offer.

Disclosure of interests in Bacanora securities

Save in respect of the irrevocable undertakings referred to above and in Appendix 3, as at the close of business on the Last Practicable Date, Ganfeng held 110,933,697 Bacanora Shares.

Save as set out above, neither Ganfeng, nor any of the directors of Ganfeng, nor, so far as Ganfeng is aware, any person acting in concert (within the meaning of the Code) with it for the purposes of the Offer (i) had

any interest in or right to subscribe for or had borrowed or lent any Bacanora Shares or securities convertible or exchangeable into Bacanora Shares, or (ii) had any short positions in respect of relevant Bacanora Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery, or (iii) has borrowed or lent any relevant Bacanora Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code) save for any borrowed shares which have been either on-lent or resold, or (iv) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code.

‘Interests in securities’ for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an ‘interest’ by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights

to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

9. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
10. If sufficient acceptances of the Offer are received, it would be the intention of Ganfeng to apply the provisions of section 979 of the Companies Act to acquire compulsorily any outstanding Bacanora Shares to which the Offer relates.
